#### Stay Informed: DPW's Work to Eliminate Sanitary Sewer Overflows

- View DPW's interactive map for information on sanitary sewer overflows (SSO's): [publicworks.baltimorecity.gov/interactive-maps](https://publicworks.baltimorecity.gov/interactive-maps)

- **Stay connected with Baltimore City DPW on social media:**

Twitter: [twitter.com/BaltimoreDPW](https://twitter.com/BaltimoreDPW)

Facebook: [facebook.com/BaltimoreCityDepartmentofPublicWorks/](https://facebook.com/BaltimoreCityDepartmentofPublicWorks/)

Nextdoor: <https://nextdoor.com/agency-city/md/baltimore/>

Youtube: <https://www.youtube.com/user/BaltimoreDPW>

- Residents are reminded to call 311 when they see a sewer overflow. DPW staff will be deployed to investigate, clean, repair, and take samples as needed. DPW will report the spill to federal, state, and local authorities.
