MONTGOMERY COUNTY CLIMATE ACTION PLAN
Homage to Rachel Carson
ARTIST: ROSEMARY FALLON

Scanned Polaroid images taken with a vintage Polaroid camera

"These images were taken along the Rachel Carson Greenway Trail which follows the Northwest Branch in Silver Spring. They are titled 'Homage to Rachel Carson' for her research and writing on environmental issues. My neighborhood borders the NW Branch which is part of the Chesapeake watershed. The trail is a nourishing resource for members of the community."
Sound the Climate Alarm!

ARTIST: DINA BURMAN

Climate change has impacted the earth so much that if we want any future here we have to try our best to take care of the earth. If we don’t it might start looking like this. So it is best that we try, we are responsible and should try our best.
