

January 2020: Hershey Underground 69kV Power Line Project Update

We will begin construction on the remainder of the line in January / February 2020. The aboveground line will be removed once the underground line is completed.

Before construction begins in your area, you will be notified via a mailed letter. We'll continue to keep you updated on the project by sharing monthly updates in the Derry Township eNews and Derry Township newsletter.

For more information or further questions, please visit our website at www.pplelectric.com/HersheyProject, email HersheyProject@pplweb.com or call us at 817-975-7099.

We appreciate your continued support.
